SUMMARY

I am a BCA student. I really like Cyber Security. I also like Networking and Ethical Hacking. I know about networking concepts and cybersecurity fundamentals. I have learned Python and SQL. I can do system troubleshooting. I want to learn more about security tools and how to find vulnerabilities. My goal is to protect systems from cyber threats. I learn things quickly. I am good, at solving problems. I want to get better at Cyber Security because it's a field that I really care about.

PROJECT

AI-Based Inquiry Chatbot (Mini Project)

- Developed a chatbot for college/university inquiries
- Built using HTML, CSS, JavaScript with AI-based logic
- Created a working prototype on local system
- Implemented basic user interaction and response handling

Weather-Based Project (Hackathon)

- Participated in hackathon and worked on a weather-based project
- Used real-time data concepts for displaying weather information
- Focused on simple and user-friendly interface

EDUCATION

ACADEMIC QUALIFICATIONS	Institute / University	Duration	Result
Bachelor of Computer Applications (BCA)	Marathwada Institute of Technology, Chh. Sambhajinagar	2023 – 2026	June 2026 (Expected)
Higher Secondary Certificate (HSC)	Vivekanand Arts, Commerce & Science College	2021 – 2023	51%
Secondary School Certificate (SSC)	Amar High School, Chh. Sambhajinagar	2020 – 2021	76%

KEY SKILLS

Cyber Security & Networking

- Cyber Security Fundamentals
- Networking Fundamentals (TCP/IP, DNS, HTTP/HTTPS)
- Firewall & Security Basics
- Malware & Phishing Awareness
- Basic Understanding of RAT, DoS/DDoS Concepts

Tools & Platforms

- Kali Linux
- Termux Environment
- Nmap (Basic)
- Basic Exposure to Security Tools

Programming & Scripting

- Bash Scripting (Basic Automation)
- Python (Basic)
- SQL (Basic)
- HTML, CSS, JavaScript (Basic)

Operating Systems & Technical Skills

- Linux Basics
- Windows System Troubleshooting
- Hardware & Software Basics
- MS Word, Excel

Soft Skills

- Problem Solving
- Quick Learning Ability
- Teamwork
- Self-Learning Mindset

LANGUAGE

- Marathi
- English
- Hindi
